CLASSICS**

NWCC have made the top 10 of the practical classics club of the year awards.

# **REVEALED: HERE ARE THE TOP TEN BEST CLASSIC CAR CLUBS, AS VOTED FOR BY YOU!**

We can now reveal the ten local classic car clubs that we will be visiting on our amazing trip around Britain, in partnership with Footman James Classic Insurance.

The competition has attracted thousands of votes. 'It has really captured the imagination of the classic car world,' said Footman James boss, David Bond. 'We're celebrating the heroes at the heart of the movement; the people on the ground doing remarkable things to keep the classic scene thriving.' Over 150 individual regional and local clubs were nominated and you've been voting in your droves to whittle the list down to our ten finalists, below.

At the end of June, we'll visit each of the top ten clubs on an epic jaunt – and, as ever, you're invited to join us at each stop and en route, as well. The final route will be announced in the next issue, but first we need your help.

Come along to the PC or Footman James stands at the PC Resto Show (March 22-24) to nominate your favourite driving road for inclusion in our round Britain journey from club to club.
