

About Us

Hi from all of us at North West Casual Classics,

North West Casual Classics was formed in 1995 by a group of motor enthusiasts who, at the time had a varied collection of motor vehicles. We are a friendly, multi-vehicle, multi-make club. We also encourage younger members to join us with their modern classics.

Our Events Team organise runs and static displays throughout the year. Please see our events list.

We also organise our own early June ANNUAL SHOW Please see events for details.

As a club we support various charities, which the membership chooses at the December AGM. Please see our charities page.

North West Casual Classics is based between Manchester and Liverpool. Monthly meetings on 2nd Tuesday. 7:30pm Penketh and Sankey Conservative Club, Meetings Lane, WA5 2BG

If you have a classic or just an interest in classic vehicles and you would like to join the North Wests' leading classic vehicle club please come along to our next meeting
