Lydiate show.

15 members attended the Lydiate show yesterday. There were

around 200 exhibits from motorcycles, performance, classics and campers. The show was well attended by the public as well. We had a couple of mishaps with Kenny's cars engine developing some unusual sounds. I also managed to add a unusual exhibit of a modern ambulance and got carted of to A and E. This is a good show and worth a return visit without the A and E bit.
