Cheshire Lanes Mini MEG's Day out

Members of a car club met at Lymm service station for a day's outing with classic cars. After mechanical issues with a Stag, including a stuck carburetor valve, were addressed with on-hand tools, the convoy, led by Antony, experienced a few navigational hiccups. They reached Adam Sykes' place for pastries and coffee, where Geoff later joined, having fixed his car. Thanks were given to Chris and Adam for organizing and hospitality.
