

Virtual Annual show 2020

NWCC Annual Show 2020 (Virtual)

Due to Covid 19 this years annual show has been cancelled as a result we have decided to do something different and go for a virtual show.

To make this different we would like to see your classic cars and a bit of the back story, if you have one. Most of you will have seen car SOS where cars are rebuilt for deserving owners, whilst we all can't have our cars build no doubt some have a story. Was it your great Aunt Mauds car, Was it your first car ext. Why not tell us your story or if you don't have one something else about your car, how you found it in a field,

recused from a pond or just what you have done to it.

We look forward to reading your entries you can also include up to 5 photos (max 4000 pics) of your car.

Please complete the form below using the comments box to tell us your story (you can copy and paste if you wish). Please note all entries will require approval before they will appear on our website.
