Since 1996 North West Casual Classics

have hosted an annual show. This used to take place at The Ferry Tavern at Fiddlers Ferry on the banks of the Mersey.

In early 2014 the access bridge to the site collapsed when a tipper truck went over it. With this and the fact that we were fast approaching the capacity of the site, we decided to re-locate.

The Hale Carnival was the natural choice for us as it is not that far away from our Club rooms and we are blessed with a considerably bigger area. We can now easily welcome 300+ vehicles.

In addition The Carnival is an absolutely fabulous day out with loads of attractions. We know that not all families of Classic Car owners are fans so there is much to do at Hale.

The Fairground offers rides galore and the usual attractions. Then there's the craft stalls, vintage stalls. Food is on offer and even live music!

Let's not forget the beautiful Rose Queen. It has long been a tradition at Hale to construct small scarecrows and this year the theme is Action Heroes, so you can take part or even get costume but it's not compulsory!! We have always had a tremendous time at Hale and I'm sure this year will be no exception
