NF has not a great deal to report. We own our own website .online and .com and Colin who used to be in the club has the domain .co.uk, we are going to take over the .co.uk domain. It has already been transferred. There is no cost to transfer the domain over but there is an annual fee.

David Thompson is here from Warrington disability partnership; he is going to tell us what they are all about.

David said thank you for choosing them as the charity of the year. We feel it's a 2-way traffic, and we need to support you too.

David gave an overview of his service and what they do. There will be a YouTube video for you to view to see all David had to say.

NF said before the next club night we are doing a run to Adam Sykes. So put your name down if you want to go. Meeting at Lymm services and the run will go from there.

The A boards have been painted and the lettering redone and ready to go for the new show season.

NF has some merchandise for sale if you want any just let him know.

KJ update – Sad to tell you that one of our colleagues, Dave Wright has passed away, we have sent condolences to the family. He faced his illness with courage and bravery. If anyone wants to go to the funeral please let KJ know and he will pass on any details.

There is a table full of shows, we have had no instruction from st Helens or phoenix about their shows.

KJ is going to liaise with DT for the DAD to put on a show.

The christleton show I.e.. cheshire view, its hardstanding and is taking place on May 12.

All other shows are booked, the only problematic one is the Widnes show, as it is the 50 anniversary of the amalgamation of Halton council, and there is a dispute about where it is going to be held.

There are a couple of shows that are single entry only the forms are on the table take one away and submit.

Still no update on the Burtonwood show as they are waiting for the date that Gulliver's world closes for the season.

Lymm have accepted us as a club but have not given us the number of cars. The sheet is out for 25.

Full list of show is on the board if you want to take a photo for your records.

JS Tatton sheet is out, there are people who have not recorded all of their details on the sheet, if you haven't put full details down you wont get a ticket.

No update from ST other than here if you need to update your subs.

ES has got paperwork for any wearable merchandise.

£105 raised from tonight's raffle, well done everyone for digging deep.
