

## ***North West Casual Classics St George's Day Run 2024***

Today you are taking part in a Social Run. It is a non-competitive run for enthusiasts to enjoy their vehicles. The run starts from The Hayloft, Sandy Lane, Bold, Widnes, Cheshire, WA8 3XP

The Hayloft will be open at 10.00 and you may purchase tea/coffee. Please note the Hayloft only accepts card payments – no cash. The Run starts from 10.30.

The Finish is at Heskin Hall Wood Ln, Chorley PR7 5PA; there is no defined route and you can choose any route you wish to arrive at Heskin Hall for a coffee and to display your car with your fellow enthusiasts.

The quickest route is to go onto the M62 eastbound then the M6 north to junction 27 (Standish) turning west on the A5209 and immediately right onto the B5250 for 4miles. Heskin Hall is on your left.

An alternative could be to follow the directions below which take in some enjoyable roads with fantastic views. On page 6 there are two shortcuts which you may use. But there isn't a mandatory route and you can follow some or all of the route outlined as you wish. Also it may be useful to take map / A to Z with street names with you. Google maps on your phone can help you out too and of course your Sat Nav. If you get hopelessly lost PR7 5PA will take you directly to Heskin Hall but you'll miss the beautiful countryside.

Please be courteous to other road users and in particular watch out for cyclists and horses.

### **Notes,**

Only traffic lights at junctions are included in the directions (we don't include traffic light controlled pedestrian crossings)

Always follow the main road at junctions unless the directions specifically state otherwise.
