

## **Summary of the NWCC Meeting**

**held on Tuesday 12<sup>th</sup> August 2024**

**Committee Present:- Nigel France (NF); Kenny Jackson (KJ); Dave Squires (DS);  
Steve Tanser (ST); Jill Tanser (JT); Steve Cropper (SC); John Slevin (JS);**

Nigel opened the meeting welcoming the 55 members present and thanking all those who have attended recent events. We had a good turnout of 130 vehicles at the Newton Show and 30 members attended the Frodsham event. Nigel explained that John is handing out the Tatton tickets and that anyone wanting to help set up on Friday could they be there for 10am. Hopefully there will be 2 mowers available – just need people to push them! Please remember when you park your cars at Tatton on Saturday and Sunday to leave a space between them and also don't disappear until you know it is in its proper place – we may move them to get a good layout of vehicles!

Nigel presented the newly engraved trophy to Richard Woodward to take to Alan, who was unable to attend the meeting.

### Events

Kenny explained that the sheets were out for various shows. The Burtonwood event (8/9) will need people to help to set up and marshall the event. The Goldwing motorcycle club has been invited to the event. The St Helens Transport Museum on 3/11 has a total space for 45 vehicles so please sign up to enable Kenny to inform St Helens and Phoenix clubs of the number of available spaces for them.

Kenny is still trying to contact the Woodside team, Derek H and David H are going to try and follow up on this. St. Helens Town Centre (7/9) will be at Church Square. You no longer need to show your public liability for this event.

Kenny also asked that if you know of any events that you think our members would be interested in then please let him know. For example John C mentioned an event at Irlam & Cadishead on 26/8 which is a just turn up event. Must be onsite by 11am and it finishes at 5pm.

Dave S thanked those people who had provided prizes but said he will happy receive any more that people would like to donate.

Meeting was completed by a wonderful quiz from Jilly T.

Meeting closed at 21.25pm.
