

Summary of the NWCC Meeting
held on Tuesday 14th January 2025

Committee Present:-

Kenny Jackson; Steve Tanser; Steve Cropper; Teresa Cross; Eileen Smith; Alan Smith; Jill Tanser

Kenny opened the meeting at 8.20pm welcoming the 50 members and wishing them all a very happy 2025. He apologised for the late start stating that all will be explained later in the meeting.

He stated that we are still waiting for suggestions on how to celebrate our 30th anniversary year.

Events are coming along well as people will see in Backfire and on the club website. Burtonwood has been confirmed as 7th September this morning and he has received several events where payments for vehicles, drivers and passengers are now being requested. NWCC along with Phoenix and St Helens will continue with the stance that we don't attend these events as clubs. Individuals are welcome to attend if they so wish. Kenny explained that Dave S would be our point of contact for the Hale Carnival for this year.

Kelsall, Daresbury, Astle dates are out – these are pre 1972 vehicles only but, in some circumstances the organisers may accept vehicles of interest – but you will need to check individually with the organisers themselves.

Tatton events lists are out and will require membership number on the sheet. Please note that there are only 25 spaces per day and so there is also a reserve list. Please also note that paid membership and previous attendance will be taken into consideration before ticket confirmation.

St Helens Transport Museum dates are still waiting confirmation but will be limited

As discussed at the AGM we are still missing two vital people on the committee and earlier this evening we received nominations for both positions. Josh Wright and Alan Smith have come forward as nominees for Chair and Vice-Chair accordingly. As such Kenny put both nominations to the floor and both were unanimously accepted by all in attendance. Kenny will remain as Events Manager.

Welcome aboard Josh and Alan.

We presently have no further information on Martin's Law and how it will impact outdoor events. We will update everyone when we can.

Steve T is accepting renewals – please see him if you are outstanding.

Steve T also explained that our charity total was £75.50 short of our usual £2000 total and as such asked the membership if they were happy to make up the difference from club funds. All in attendance agreed with this action.

Raffle made £120.

Meeting closed at 9.30pm
